

Martha Hazel Vause Forney

July 29, 1944 - September 2, 2021

Hazel Vause Forney went home to Jesus on September 2, 2021. She was born in Wewahitchka, Florida on July 29, 1944 to Cloyce Olisan Vause and Eldred Beulah Raker. Hazel graduated from Hillsboro High School in Tampa, FL and went on to Florida State University. She left Florida State to marry the love of her life David Forney. She later finished her degree at the University of Wisconsin. In addition to the years at home caring for her children, Hazel worked for NASA and taught special needs children. The majority of her career was as the executive assistant to the CEO at Biopure Corporation, a pharmaceutical company in Cambridge, MA.

After retirement, she and Dave spent five years traveling the United States in an RV. Then they came home to Crawfordville where Hazel grew had grown up. Back home in Crawfordville, she enjoyed helping with Good News Club, serving at Wakulla Pregnancy Center, leading the seniors in crafts at Eden Springs Nursing and Rehab, and living life with her many wonderful friends. The greatest contribution she left behind is her loving family. She was preceded in death by her husband of 55 years, David Adam Forney; and survived by her children: David Adam Forney Jr., Lauren Forney Danforth (Krissy), and Joanna Forney Hemp (Robert); grandchildren: Gabrielle Pappas, Theodore Forney, Isabelle Forney, Lydia Forney, Isaiah Forney, Zachary Forney, Josiah Hemp, and Thomas Hemp.

She will be sadly missed by many, but we rejoice in knowing she is face to face with her Lord and Savior. ***The funeral service will be available by live

“ Mom and I enjoyed our bear club together. What started as a gift turned into a lighthearted game with teddy bears. If you were involved with this game it meant that you sent her a teddy bear and she sent one back to you. For me and mom it was an all out war to see who could get the last laugh. Mom is now in heaven getting a last laugh as my wife just received her first bear that arrived today in the mail. It was all about love. Mom I love you and I miss you.

“ I knew Hazel in elementary school (Caroline Brevard). We all had lots of fun. Sadly, many of our classmates have been lost in the past year. My condolences to Hazel's family.
