Tribute Wall

“ I wish I could share "all" the memories having known Jubel for over 40 years. The one that comes to mind at the moment was when Jubel realized he had already live longer than any other Bissonette several years ago. We had many good times together and I will always remember my friend. RIP my brother

“ During one of the Newport Jam's at Ouzt's Too...Jubel was selling his plants and Sandy gave me tables so I could set up my artwork. The drummer pulls his car in front of us to unload. Jubel informs him he cannot stay there because he was blocking the view of his plants. He moves his car and 2 1/2 hours later we see him walking up.

We both look at each other and bust out laughing...Jubel said, "If I knew it was going to take him that long to walk back to the gig, I would never asked him to move his car!"

I don't know why I was drawn to Jubel like a moth to a flame! He made me feel so safe and we could sit in comfortable silence and just share the moment of time! I treasure his friendship and love him very much! May he bask in his glory and I look forward to seeing him again! I love you Jubel, my sweet friend! Rest in Peace!

“ My Dear Sandy,

*Jubel is pain free now and that is a blessing.
Just know that the pain you now feel will, in
time, turn into precious memories.*

Love from your cousin, Liz & Val Gerlits.

“ *Jubel & I shared shots of rose tequila on Sondra's birthday in
august. He was a good man and the best thing that ever happened
to Sondra. She kissed a few frogs before she meet Jubel. He will be
missed by all.*

“ *Well it's kinda hard to think of my friend as gone! We were steady
horseshoe partners for probably 10 years. Every time we got
together to throw, the opponents knew they were in for trouble!! As
an example, throwing at my house we witnessed him throw 8
rings in a row. Never saw anyone do it before or since! Heavens
got a good one now!! R.I.P My friend!!*
