“ *Sandra and Billy,
Please know that some of my best childhood memories are of your
Mama when she came to visit my Mama! They were always
laughing and "carrying on". Joking about the old days and their
times together as children~goodness what a time that must have
been! I'm sure that now they will have those happy days again!
I spoke with your Mom when Mama passed and a couple of times
since. She would always cry right off the bat because I sounded like
Mama on the phone. That's a compliment, ha! She had good advice
for me and shared some family history. I will miss her. My heart
goes out to you both. Love you, Alice*
