“ I just heard about Fran yesterday. My thoughts and prayers go to her family, especially Jackie and her family. I knew Fran when she lived in Tallahassee, it was such a shock when she up and moved out to Utah. But I knew from FB that she was very happy there.

May her memory be eternal.

“ I served Fran breakfast at Village Inn. She was a delight to see. She always asked about my life and shared hers with me especially how much she loved her daughter. Deeply sorry for your loss ❤️

“ Even though I did not know Fran long, she definitely impacted me. She was a lovely person and such a firecracker! I am so glad we met and became friends. Her beautiful zinnia flowers brought us together in our neighborhood in Utah. She is greatly missed everyday! My thoughts and prayers to her family, Love Cathy Nelson

“ Fran was one of the funniest people I have ever known. When we would be together at the little beach house she would tell some of the funniest stories about situations she had experienced. I never saw her that she wasn't smiling and happy. I rode cross country with her when she moved to Utah to help with the driving. What a fun trip we had laughing and singing all the way. Got lost once but that was actually good because we got to see the Earthship houses outside Toas. I am sorry I didn't get back out to Utah to visit when she got settled. Truly beautiful country. I know she would have shown me everything. Rest in Peace my friend. No more pain and suffering. Love you.

“ *To Jackie and the family
My prayers are with you all. Fran was a very nice and funny lady that I worked with for about 7 yrs at TPF. I remember her as that one that would push you to do your best even when you thought you couldn't do it. May your memories of her be a blessing to you.*

“ *Frannie and I were born on the same day at Tallahassee Memorial Hospital when it was located at Dale Mabry Field. Our mothers got to know one another in the maternity ward. My mother said we were twins. And indeed we did grow up together in the public schools of Tallahassee. We lost touch after high school graduation. Occasionally I would hear about her activities in nursing. She was a very loving person and I know she will be missed by many.*

My, Tallahassee Lassie. I've known my dear friend for fifty-years. I'm going to continue to love her and pray, hope to see her again. I've been searching for her since the day she left for Shands Hospital in Gainesville. Fran was like the best sister. My wish for her family and friends is to remember her infectious laugh and directness and devotion. With utmost Love, Walter W. Alford-Apopka, Florida.
