

Mary Ann Carroll Grissett

January 6, 1945 - October 29, 2022

On October 29, 2022, on a golden fall afternoon, Mary Ann Carroll Grissett slipped away peacefully in the home she and her late husband built by hand surrounded by her girls and beloved pets.

Of pioneer stock and 5th generation Floridian, Ann was the daughter of Mary and the late Hallie Carroll. She was a daughter, wife, mother, sister, aunt, most beloved nana, and friend to all she met, whether they were of the two or four-legged variety. She is survived by her daughters Jillian [and Michael] Powell and Sarah Grissett; grandchildren, John Shirah and Hallie Kate Powell; mother, Mary Carroll; brothers, Marshall and Wayne Carroll; and her constant and faithful companion, Jackson. She is preceded by her husband of 47 years Wayne Grissett, her father Hallie Carroll, and her mother-in-law and best friend Edna Grissett. She never understood mother-in-law jokes.

Ann was a talented artist winning several local awards for her animal portraits. She was a true champion of the underdog, cat, or squirrel; she never left home without a baggie of cat or dog food for hungry new friends that may, and often did, cross her path.

A memorial service will be held at 2:00PM on Saturday, November 19, 2022, at Bevis Funeral Home, 200 John Knox Road, before returning to her home. What remains with us is just her earthly vessel, we know that she has made it

to the Rainbow Bridge where she was met by a host of old, but never forgotten, friends who accompanied her on the final leg of her journey. Her heaven would not be complete without them.

In lieu of flowers, her girls request that donations be made to Du Bois Rescue, made payable via PayPal at Duboiskennels@gmail.com. Our mother was a great believer and supporter of Judy's good and necessary work for the animals of our community.

She will be loved and missed Always And Forever.

Kelly Barber of Bevis Funeral Home (850-385-2193 or www.bevisfh.com) is assisting the Grissett family with their arrangements.

“I've known Ann since 2003 when we became neighbors. We are snowbirds and live in Florida from December until May. Ann is absolutely my best bud in the world. We often shared stories and concerns over coffee and spent at least 7 years in art class together where she taught me many techniques along with lots of bantering and laughs. Ann's passing leaves a big hole in my heart but I will hold onto great memories forever.
To you Jill, Sarah. John, Haley, Micheal and Wayne you were and are deeply loved.

“I met Ms. Ann when one of her flags went missing by Wayne's grave. I presented her with \$100 to get more. Little did we know at that time the fireman had already purchased the flag and hung it. Apparently she received more funds and she turned it into a reward for who vandalized the site. Months later, she text me and said she wanted to return the funds but I declined. First thing she said then was she'd like to donate to Judy. That was what we did. What a sweet soul and will truly miss her love for animals.
