“ My condolences to the entire family of Penny Pennington. Knew she  
had gotten involved in real estate later in life and ran into her from  
time to time where we talked old times and sent some referrals her  
way which she always appreciated. Once she knew you she always  
gave the time of herself, even when one could tell she was busy, to  
acknowledge your presence and speak to you. Rest in Peace  
Penny, you made a positive difference! God Bless!
