“ My family and I first came to know Mrs. Viola and her family shortly after we moved to Crawfordville in 1963. She had just had her second child, Elaine and needed a babysitter so she could go back to work at her Job as a telephone operator at the phone company. I remember many days walking home with Joyce after school to our house. Our families became close and Mom and Mrs Viola became lifelong friends. She was a very sweet lady and like a second mother to me and my sister. She will be greatly missed. May she find rest and peace in the arms of the Lord.
