Mrs. Mary Ann was born in North Platte, Nebraska, in April of 1948. She graduated from Ocala High School, in June of 1966. She spent much of her career working as a manager in various retail settings. She also helped run the family Real Estate Business, Town and Country Realty, for many years. She was an awesome mother, grandmother, and a true jack of all trades. She was a very hard working woman and anyone that knows her will tell you that she could out work anybody. She loved to do many things like fishing with her grandkids at the nearby fishing holes, and teaching anyone who wanted to learn how to quilt, knit, and sew. She loved to repurpose old antique furniture. She loved to build things. She built her very own gazebo on her front patio last summer by herself. That was her last big project before coming down with cancer. She was a pillar in her family and will be severely missed by many people who knew and loved her dearly.
