

## Mason Cecil McFalls

May 2, 1987 - October 17, 2023

Mason C. McFalls, age 36 of Tallahassee, Florida, sadly left this world too soon on October 17, 2023. He was born on May 2, 1987 in Fitzgerald, Georgia. Mason is survived by his Father Floyd Brantley, Mother (Madre) Lisa Kaht, Brother Josh McFalls, Sisters Starlet, Sandy, Missy, and Chrystal as well as many nieces and nephews. He also leaves behind many close friends who were family too.

Mason graduated high school in 2006 from Swainsboro High School with honors and a scholarship. He then attended UGA for 4 years and graduated with a Bachelor of Arts degree in Political Science. During and after college Mason was involved with several Non-Profit organizations, where his main focus was helping kids in foster care and making the system better.

After college Mason worked with many investment firms where he used his education and exceptional networking skills to further his career. His work carried him from Atlanta to Philadelphia and eventually to Florida. This would lead to him starting his own company, DriverSeat. Mason's goal was to change the automotive marketing industry forever and he was doing just that.

Mason was ambitious, full of life and wanted to travel the world. His greatest attribute was his ability to make anyone smile. He loved his family and friends and poured all of his heart into those around him. Mason's dream was to give

his family everything that he didn't have.

Mason was known by his nieces and nephews as "Fun"cle Mason. He was enthusiastic and imaginative which allowed him to connect with his nieces and nephews in the best way. He often had to be reminded he was an adult when "Fun"cle Mason was in full swing. Mason was fun loving, energetic and the life of the party. That is how he will be cherished and remembered.

The family will be celebrating his life at Paulk Funeral Home, 301 South Main Street, Fitzgerald, Georgia. Family and friends are welcome to join us in the Chapel at 2 P.M. on Friday October 27, 2023.

Todd Wahlquist is assisting the family with their arrangements (850-385-2193, [www.bevisfh.com](http://www.bevisfh.com)).

“ I wanted to let his family know what a positive influence Mason was to many people at UGA, myself included. I have a memory of him saying how much he loved his brother. Please accept my deepest sympathy. I am so sorry.

“ I’m sorry to hear of Mason’s passing. He was a student in my 2006 study abroad course in New Zealand and I remember him as smart, funny and kind. Mason was perennially good natured, and always respectful. My condolences to his family.
