“ Outings were always fun - one of the more memorable was being part of the group of boys (Jeff, Lewis/John, Austin, and friends - along with John & Bill Piotrowski), with the boys dressed in their typical shorts and t-shirts who decided at the last minute to go to the Greenwings shooting competition in Havana, and proceeded to win first, second, and third place using borrowed guns - and then came back to do it again the next year. The story of this event was much celebrated, and exaggerated, with great gusto and fun as only the Hofmeisters could tell. A smile, attitude, and appreciation for the fun times of life that made it fun for all around him and something that will be remembered - and passed along - to family and friends. Thanks for the good times and God Bless!
