

Melanie Kimberl Saunders

July 27, 1965 - February 11, 2022

Melanie Kimberl Saunders, 56, passed away unexpectedly at home on Friday, February 11, 2022.

Melanie Collene Saunders was born to Charles Wesley and Betty Lou Saunders on July 27, 1965 in Tampa, FL. She was raised in Tallahassee and graduated from Leon High School 1983. She went on and earned her Bachelor's degree and after raising her children, recently earned her Master's in Business Administration graduating top of her class. She was currently working on her Second Level Cyber Security Certification. While she worked in both private sector and state government, she spent the last several years as a Senior IT Analyst at the Florida Department of Environmental Protection. Melanie never met a stranger and loved everyone. She had an outgoing and infectious personality lighting up any room she walked in. She expressed a fierce and unwavering love for her family and friends, and she always put everyone first and made sure everyone was taken care of.....To say she will be missed by all is an understatement.

She is predeceased by her parents, Chuck and Betty Saunders. Melanie is survived by her husband of 20 years William (Bill) Kimberl, IV; children, Charles Logan Saunders, Wesley Kimberl Saunders, Lt William (Billy) Kimberl, V, Jordan Kimberl and Kristy Kimberl; and two sisters, Gail Saunders and Lora Saunders. In addition to her family and friends, she loved all animals especially her devoted cat, Zeus and Labrador, Kallie Ann.

The funeral service will be held at 11:00AM on Friday, February 18, 2022, at

Bevis Funeral Home, 200 John Knox Road. The family will receive friends immediately following the service. For those who are unable to attend the service, it will be livestreamed at <https://www.bevisfh.com/obituaries/Melanie-Saunders/#!/PhotosVideos>

“ *I will never forget Mel. She was the most upbeat, positive person I knew. At FDEP, when she was in our area she always poked her head in my office to say "Hi Mr Jim". So sad she is gone. RIP young lady. Prayers to her family.*

“ There’s never been another person like Mel in my 33 years at DEP. She was a tireless worker who shared her knowledge throughout the day. But she was so much more than a coworker. She was a genuinely good soul who treasured her friends so much it sometimes felt like she was family. She was funny and smart and honest. Mel was one of a kind and I will smile every time I think of her.

“ I loved hearing the stories about Melanie that were shared during her memorial service today. She was such a passionate, smart, funny, and loving woman. I loved her southern charm and expressions ("let me hug yer neck!") and the funny nicknames she gave friends and co-workers. She was our go-to gal at DEP for computer issues. We knew Mel could fix it! And I loved hearing all about her kids and fur-babies. She was a true Mama Bear and loved and protected her children fiercely. She was so proud of them and loved to share stories of their achievements, and I truly enjoyed seeing her eyes sparkling and her smiling face beaming with pride. She was a joy to know and work with, and she will be missed dearly. Love you Mel! Rest in peace.

She has touch so many lives in so many ways and brighten their day that we will cherish forever. I can't make the pain go away but know that I am here for you

always had a smile on her face, she always asked how you was doing and always had a way of looking at things differently Melanie had so much knowledge of wisdom and tried to share it with everyone to make a difference in their lives

*As we remember all the great times we shared with her, The laughter, the cries, the talks, she will always be in our hearts

“ *Melanie was such a sweetheart. When we were all working remotely, I could count on phoning Mel at home for the needed response in resolving my operating systems and software issues. We chatted briefly in passing last Thursday, as she zoomed across the hall heading to her office. We spoke of getting around to celebrating our birthdays together this upcoming July. The plans have now once again changed, with the upcoming celebration of her life. Indeed it was. As hard as it is to know that we won't see her again on earth. We can rejoice in the memories made. Take your rest Mel, you gave it your all.*

“ I cannot believe Mel is gone. I am still in shock. Mel was such a sweet, down to earth, and precious friend, who would do anything for anyone. She would address me as honey, or mostly Sacajawea (lol) She was kindhearted, and funny, my heart breaks to lose such a precious precious friend. But I know she gets to see her mama and she missed her so much. Dear sweet Melanie I will always remember our fun conversations. and I will never forget your sweet self. You left too soon. it's just not right 🥹 Sacajawea (susan)

“ Mel took me under her wing when I started at DEP in 2015. She was always bubbly and warm, and was just the kindest and most supportive person both personally and professionally. I'll miss calling her office and hearing "hey baby girl" on the other end, any time I had a question. I will miss her dearly.

“ We met and bonded so fast in high school. Then we were each other’s first college roommates sharing a one bedroom and dating another set of good friends/roommates, Chip & Chad. Great times! We had pet names and sayings that no one else will ever get but you. You were the warmest of the warm, the sweetest of the sweet and that corner of my heart that you occupied will be forever empty. I can’t even believe this. I’m just so stinking sad. I love you so much & I can’t wait to see you again one day!! 💔😭💔😭💔😭

“ Mel was who I called my work mom. When I worked at DEP she would try to stop by daily to chat first thing in the morning before a lot of people came in. If she didn’t I always found her. She never left our conversations with saying she loved me and I know she genuinely meant it. I love and cherish all the boy mom advice she gave me and all the fun memories we have together. So thankful for our familyship of which I’ll never forget. Sending lots of prayers to all her family!

To understand life, is to love Everybody, that was always the beginning and end of all our discussions. I knew your family thru you from your mother(deceased) to your sons, your husband and your sisters, You never stop talking about them, even though Oculus help will be in-between it. You stood

for me every little chance you have and you always end your email to me "call me, if there is anything I can do". You exemplified what was good, and great about fellowship. Relax my Friend, Jesus said "I'm the resurrections and Life, the one who believes in me will live, even though they die". May the Lord accept you in your entirety, Body, Soul and Personality.

Melanie was a pleasure to work with and when she wasn't there for us whenever there was an issue with the IT at DEP, she still took it upon herself to follow through. Grateful that she knew our Lord and Savior Jesus Christ and those she leaves behind are in our prayers.
