“ *Missy was always the one I could count on to lift my spirits, make me laugh and/or give me a much needed "kick in the butt". She was truly my "little sis" in every way and I will miss her every day - Thank you God for sharing your ANGEL with me all these years.*

Rest in peace my sweet sister and dearest friend.

“ *There were so many Missy moments when she lived across the street from us. Her smile was always so warm and welcoming and she was by far the best neighbor ever! My our favorite memory has to be Missy brownies with just a swirl of peanut butter. We had our own joke that when we returned the plate we placed a box of brownie mix on the plate and wrapped it in saran wrap. Her family was loving and giving her her children frequently helped us. We will miss her terribly but her love will always be in our heart.*
