“ Major Hamilton was my first Captain when I first started at WCI Annex. He stood up for me and for others on multiple occasions. And he was one of the few OIC's I would do OT for when I first started. He will be greatly missed. Condolences to his family.

“ Mike was one of those rare people who always wore his emotions on his sleeve. He was fearless in that respect and many others. Mike was 9 years old when I first met the Hamiltons. He is an irreplaceable fixture in all of us.

God speed, Michael.

“ I transferred to WCI work camp as a sergeant from the work release and we worked together as sergeants until Spanky started promoting to higher ranks. Being an FSU graduate, in always chided him that I picked out a college and adopted their colors, not just picking out pretty college colors. Spanky was a super friend and coworker, a jokerster, but always a professional. At work. He will be missed.
