“ This page isn't long enough to post all my treasured memories of Mike, so I will just say he was a very happy and hilarious man who would give you the shirt off his back. He didn't always have it easy in life but he worked very hard to overcome and make a great life for himself and raise his children. His life came full circle when he spent the last year of his life with his wife Paulie back in Tallahassee enjoying their horses and their new farm. God Bless You ol' friend until we meet again.

To say Michael Phoenix was my friend is a gross understatement, From the 1st day we met he became my brother. Michael was someone I could call on when I needed advice / help or just someone to pick on.(There was no way I would ever admit to him how good he was Because I knew it would go to his head) 😊 Memories I have with Michael from cook outs beating him in cards 😊 going fishing or riding our bikes were cut way too short! Michael Phoenix will be missed and I love you brother ,See you in heaven someday!
