“ *It was love a first sight when I met Todd at 11 years old back in 1981 at Skate West in Washington State, he took my breath away. We have been friends for a very long time but grew up and living on opposite ends of the county. I am currently in Las Vegas NV and I am so deeply saddened to hear about this news and my feelings are hard to put into words. I wish so much I could be there. Sometimes life takes us in different directions and although we can be close in thought we seem to forget how important it is to reach out. Tears of joy! Todd, I wish I had done that more. Thank you my friend for the memories and your heart. God Bless to you and your family. - Debbie Klem*
