“ Though I never had the pleasure of meeting Minnie I learned much about her from her sister (and my dear friend) Rita. I learned that she was a wonderful “big sister“ and a genuine, sincere, humble human being and I know from what I was told that God’s light always shined through her. My prayers are with Rita and her entire wonderful family and I pray for their comfort at this difficult time. Minnie was a very strong, faithful woman. May she now Rest In Peace in God’s open arms of grace and glory. Love to Rita and her family from Val Schultz

“ I have many memories of my wonderful sister. She was much older than me and some of my younger sisters and my brother Brian. She looked after us like a second mom. Her and my sister Violet were always there to take care of us kids when my mom is too busy to do so. Minnie was always there for us. I have childhood memories that we shared. But the most recent memories I have of Minnie, is when she would stay at my house and my husband John's house in Springhill Florida. She always felt like she was on a tropical vacation when she came to our house. we shared many good times there and made many memories together. I treated her like the queen that she was and she always knew that I would. She always thanked me so graciously for letting her have the restful time that she had with us. I feel truly blessed to have spent the time with her that I did. We spent quality time together and I am so thankful for that. The last time I saw her was last January 2023 when she came to spend two weeks with me and John. I will always remember her laugh, her sweet kind voice, her good advice , and her tender hugs. She was a wonderful sister in so many ways. And I am so thankful that God gave her to us. she will truly be missed by me and all of my family. We loved her so much. Rita Hoffmeister
