“ My name is Mary Celaya, my young daughter and I worked under Myrna in Phoenix,AZ for many years. I thought of her often as we all went our seperate ways. I found this post of her passing online and only gratefulness to have known her and learned so much from crossed my mind. She was a beautiful, strong leader who had so much to offer anyone willing to learn and listen. I will continue to think of her and use what she taught me as a young adult deep into my years. May you dine with angels Myrna, I hope your soul tingles each time you're thought of because you are truly unforgettable.

“ Daphne and Wynham's g'ma! I loved teaching Daphne at BHPS with her special interests in art--that had to have been nurtured by her g'ma. I especially enjoyed knowing she cared for her lil brother, too. Their mother was one to confide in me and I valued this, knowing they would be strong children, and now big kids, all these years later.

*Myrna Hudson lived her whole life. Amen, Myrna, Amen.*
