“ Bill and I are so sorry for your loss. We remember with smiles how we all “grew up” with our children and our church family at St Francis so many years ago. Our thoughts and prayers will go with you as you walk down this road.

“ I knew Neal for several years. He was a person I could turn to for advice and help. He was especially helpful to me after I became a widow and knew virtually nothing about keeping up a house. We worked together on several church committees and he always kept his promises. I miss his smile and his laughter.
