“ Just as we have missed Mr. Glen, we will sorely miss Mrs. Ann. They were so good to my family from the moment we joined the cul de sac family. It just won't be the same.

“ Our thoughts and prayers are with Glenda and Annie's family. She will also be greatly missed and long remembered by her friends. Annie and Glen were the first people we met long before we built and were here "visiting" our property on Bald Point. Annie always had a smile for everyone and made you happy to be around her. She is truly in a better place.

“ I am so happy to of had the opportunity to work with your mother on several occasions at Wakulla High School. She was a true professional and could make us all smile just by walking in the door. We shared many talks and laughs- she so loved her family & the excitement of the day to day educational experiences.
