“ We'll remember Bricky as a really sweet strong person with a full heart and generosity that was evident in the way she cared for her family and others. She always greeted people with a smile that brightened your day. She was a kind, lovely, funny, and warm person! I have such wonderful memories of your mother. She was a "real" person. She was always the teacher who cared and gave loving advice to try and help out. She was always going on an adventure -whether an actual vacation to some exotic location or an art class; seeing the sunset or going to the garden center. We hope the memories of your mom will help you through this difficult time. We will keep you and your family in our thoughts and prayers. Sending our love, condolences, and prayers to you and your family. We will be with you all in spirit as you gather to celebrate her life!
