In Loving Memory of  
Otis Carl Thrasher  
April 5, 1976 – May 11, 2026

Otis Carl Thrasher, 50, passed away on May 11, 2026, in Bonita Springs, Florida. He was born in Marrero, Louisiana, to Jack and Linda Thrasher on April 5, 1976.

Carl married the love of his life, Stacie, and together they built a beautiful life rooted in love, loyalty, faith, and family. They had been together since they were very young, growing up side by side and building a life filled with devotion, laughter, perseverance, and countless memories shared through the years. Side by side, they faced life together, creating a home filled with warmth, strength, and unconditional love. Carl adored Stacie, and anyone who knew them could see the deep bond they shared. Through every season of life, they remained each other's greatest source of support, comfort, and companionship.

Carl was a longtime resident of Bonita Springs, Florida, and a proud self-made man who built a successful career as a residential contractor through hard work, determination, and perseverance. Nothing was handed to Carl — everything he achieved came from long hours, sacrifice, and an unwavering commitment to providing for his family. He took tremendous pride in his work and believed in doing things the right way. Carl was meticulous in everything he did, always paying attention to detail and expecting excellence from himself.

Carl was proud of his children and cherished every moment spent with them. He worked hard to teach them the value of dedication, responsibility, loyalty, and strength. Through his words and actions, he showed them the importance of family, hard work, and standing by the people you love. His guidance and wisdom will continue to live on in their hearts forever.

Carl was preceded in death by his parents, Jack and Linda Thrasher.

He leaves behind to cherish his memory his beloved wife, Stacie Thrasher; sons, Trenton Carl Thrasher and Otis Seth Thrasher; daughter, Kayla Thrasher; and his treasured grandchildren, Anastasia, Myla, and Atticus Thrasher. He is also survived by his sisters, Belinda Whetzel of Quincy, Florida, and Dawn (Wade) Williams of Quincy, Florida; brothers, Wade (Shelly)

Thrasher and Keith (Jo Ann) Thrasher, both of Bonita Springs, Florida; along with many nieces, nephews, extended family members, and countless friends who will miss him dearly.

More than anything, Carl was the heart of his family. He was the one everyone depended on — strong, steady, loving, and protective. His presence filled every room, and his love for his family was unwavering. Carl gave his whole heart to the people he loved, always putting his family first and working tirelessly to give them the best life possible. He will be remembered not only for his strength, hard work, and dedication, but for the laughter, guidance, love, and sense of security he gave so freely to those around him. The loss of Carl leaves an emptiness that can never truly be filled, and he will be deeply missed every single day. O
