“ I had the pleasure of being marys mailman for a few years when she lived in VA. Never got past her house without a soda, snack and a friendly conversation. After I transferred to AZ we kept in touch with cards and played a very long game of phone tag. Im sorry I didnt get to talk to you one last time but I will always remember you.

“ *Aunt Mary was like a second mother to me. My fondest memories were her kindness, compassion and mostly love. She loved to cook and bake . We always looked forward to her visit to Pa staying with my mom. I will miss her more then words can say.*

“ *When I first met Mary 39 years ago, I was immediately struck by her faithfulness and loving heart. Every time I would go see her, she would make sure that my stomach and my heart were full before I left. I especially loved listening to her stories of growing up in a large family, and how her Faith got her through life’s difficult moments. Her witness has come mean so much to me over the years. I treasure those visits—and will always keep them in my heart.*

“ Mary was my nextdoor neighbor. We were very close. She was a second mother to me. Everytime I look over at her house, I can picture us sitting on her front porch talking, which we did for hours on end. I use to cut her grass, trim her hedge and bushes for her. When I would cook dinner, I use to take a plate for her to have many of times. I had to laugh, she ate like a bird. She use to like when Rusty, a stray cat, would come around and she loved to pet him and he loved her petting him. She’s up in heaven with Frances now. I’m sure they’re happy. Frances was one nice guy. I love you and miss you dearly Mary.

“ We have so many memories of Aunt Mary! We spent at least a week staying at her house every year. I know our fondest memory of her was when she decided she needed to grill us 22 half chickens!!! She was much loved by our family and will be greatly missed. ❤️❤️❤️
