“ *The void left by the mother of my friends is so profound. She was always the sweetest, kindest lady, so classy and strong. I will miss her in this life... she was a light of virtue in this world. Jason, Melanie, Lindsey, and Jeffrey... may God give you peace and comfort.*

“ *I remember Her and Teresa were friends. I remember her taking her kids to Church functions. I remember leading song services at Church with Pam playing the piano. I remember our first Date. I remember walking on the beach with her many times. I remember Melanie and Joe being so gracious to me and my sons Kevin and Scott for letting us stay with them when we moved to Crawfordville. I remember the good times we had and short time we were together. It was all a misunderstanding that kept us apart. Its so easy to see now, but so difficult then. I remember that she loved her family very much and was a hard working person and was proud of her Melanie. Lindsey, Jason and Jeffrey. I will always remember the good and I have learned so much about myself from the experience we shared. And most of all, I look forward to seeing Pam again at the coming of our Lord and Saviour, Jesus the Christ.*

“ When I saw her picture, my eyes filled with tears. So many memories flooded my mind. We were together during a time when our children were young and we had not been married very long. We were great friends, and I felt very close to her. We helped each other through difficult times, and I remember that she was very determined to obey God and walk His path, no matter how difficult it was. She was a good example of a wife and a mother and a friend and a Christian. I don't think there are any higher goals than those, and she accomplished them all. Her children are a testament to that. I can't wait to see her again!

“ My dear friend Pam, I can still hear your laugh as we always found something to laugh about. I have such amazing memories and stories to share but there is not enough room for me to say the words here. We had our first management positions together, what a journey that was. Your Southern hospitality was incredible, and that Southern drawl I used to tease you about, we were like kids laughing all the time. Your love for your children and grandchildren was priceless. I will miss you so much as you have spread your wings. Fly high in the sky and keep smiling down on us as you have left us with blessed memories. Be blessed Ranew family, we are steadily praying for you.

With Love,

“ Pam and I were young puppies on the job together in the Albany office and we shared many stories about our children. Pam was the most devoted employee and mother, ever. She was truly a superwoman back in those days, working, going to school, and taking care of a family. We have missed her dearly at the Albany office, and now are so saddened by this untimely loss. What a beautiful person, inside and out. We are so sorry for her family.

“ *He has achieved success*

*He has achieved success who has lived well,
laughed often and loved much;
who has enjoyed the trust of pure women,
the respect of intelligent men and the love of little children;
who has filled the niche and accomplished his task;
who has left the world better than he found it;
whether by an improved poppy,
a perfect poem, or a rescued soul;
who has never lacked appreciation of Earth's beauty
or failed to express it;
who has always looked for the best in others
and given the best he had.
Whose life was an inspiration;
Whose memory a benediction.*

“ I have several memories of Pam...one of them being back many years ago when we attended the feast in St.Pete...(we have a large family when we all are together) one day during lunch break from church I got left behind at the Bayfront Center my Aunt Pam came right back and got me. She also allowed me to keep my three dogs at her house when I had no where else for them to go because she didn't want them to go to the humane society but what I remember most about Pam is all she did for me when I got married. She and my cousin Jason played the wedding march from the Sound of Music. It was beautiful. Please know that I think of your mom every time I watch the Sound of Music and have always thought of her when I watched it. She loved to help.

“ I am very saddened to learn about this. It is a shock. I felt like someone punched me in the stomach when I heard the news. My son Kevin and I have been praying for Pam ever since we heard she was sick, and Pam has been on my prayer list for much much longer than that. But now, my focus is on you guys, her survivors, especially Jason, Jeff Melanie and Lindsey. My prayers continue for God to comfort you with his truth, that you will see her again. My prayers are that God gives you the strength to endure this extreme hardship right now. I am so very very sorry for your loss. Michael and Kevin McCarty, Crawfordville Fla.
