“ Our heartfelt condolences to Patti's family. I was co-editor of the Waynedale yearbook with Patti and always admired her dedication and organizational skills. We both entered the wonderful world of education as teachers, and after reading her obituary, I realize she was tremendously successful! Again, so very sorry for your loss!

“ When I became a Middle School Guidance Counselor 15 years ago, my first middle school counseling job was as a 6th grade counselor at Deerlake. I had been an ESE elementary teacher so I was overwhelmed to say the least.

Pat Cramer, who was the Team Leader for 6th grade, welcomed me with open arms and invited me to be a part of her 6th grade lunch group. That year I met PAT was a very good one. Learning all of the new teacher names and feeling welcome was made painless by this amazing woman. Her infectious smile and gentle leadership skills was so joyful for our 6th grade team.

Of course, she was also a fabulous science teacher! Pat will truly be missed.

“ Pat is truly going to be missed. Her beautiful smile could light up any room. She absolutely loved for me to make her fried shrimp so much that I had to give her my secret recipe for the batter. When she would make her own shrimp for Craig she would send me pictures of how brown and crispy they were and say Craig loves for me to make him shrimp. Missing her smiling face.
