“ *Dear Cheryl, Jack, Krissie and Jason:*

I am so sorry to hear of the loss of your mother/grandmother. My heart goes out to all of you. A few years ago I was able to spend some fun and quality time with your mother, grandmother in Tallahassee and will forever cherish that time and those memories with her. She was such a kind, gentle, sweet, caring, smiling and loving person. One of my favorite memories are having her come to my ballet recitals when I was younger and going to her duplex on Friday nights with my parents for sloppy joes. I am sorry that I will not be able to attend her Celebration of Life, but just know that my thoughts, prayers, and heart will be with all of you that day.

*All my Love always, XXXOOO
