“ I am so sorry that we have lost this beautiful lady, full of grace! Through the years in Florida Rainbow, there was never a time that Mom Patsy didn't present herself as a loving, caring, kind, and gracious lady. Mom Patsy was an outstanding role model to all of our Florida Rainbow girls. St Augustine #42 will miss you but gain joy in knowing that you now in loving arms of our eternal Father.

*“ I'm so very sorry to hear of Patsy's passing. Seems our parents were good friends, for years. I just lost both of mine 3 1/2 & 4 years ago...it is hard to lose them and I think of them every day, but we were also so very fortunate to have them with us for so many years. My sincerest sympathies especially to Debbie and Jillian, as well as the rest of the family.

Mama Mack's guidance throughout my years in Rainbow taught me grace, courage, organization and teamwork. The only woman I know that could coordinate and organize 60 girls without breaking a sweat! I will always remember her love and devotion to us! RIP Mama Mack. You were loved by many

“ *What a loss for this world and what a gain for heaven. God made her a beautiful soul which she shared with those whom she came in contact with. She loved her "Rainbow Girls" and I know all of her family. My family and I are so sorry to hear of her terrible illness and demise I will always remember her from Rainbow and her walking around the assembly room at the close of the session. Not a dry eye in the house. She was wonderful and we are so blessed that we knew her and spent time in her company. Our prayers of comfort go to her family. Bless each of you. “ Eleanor, my heart and love goes out to you. I only knew your mother through you and by her great reputation, but I wanted to say to you that she had to be wonderful to raise such a caring daughter like you. Your commitment to your mom and everything you did for her this last year is such a testament to a daughter's love. My prayers are with you and I know God will wrap his loving arms around you and your mom.

“ *"When someone you love becomes a memory, that memory becomes a treasure." Mom Mack had a heart of gold and she shared it with all those she encountered. If you knew her, even just a little, you felt the love she so freely gave. She is a treasure in the hearts of so many, especially in her Rainbow Family. May the Lord bless Patsy's family and friends with the many fond memories of her kindness so their hearts may begin to heal during this difficult time. My thoughts and prayers are with you.*
