“ I was on the high-achieving Cleveland, OH West Tech High School cross country team in the late 1960s when Paul Armor coached. He was a great coach. Michael Keating, Atlanta

“ I was saddened to hear of Paul's passing, and I send this tribute to his wife and family. I was a member of Phi Mu Delta and remember Paul serving as President. He had real leadership skills and always had a smile on his face. Everyone liked and respected him. Paul was also a great athlete, and I often cheered him on at track meets, along with other brothers. I always felt that Paul would be successful in whatever he would do in his life -- and that turned out to be true! I will always remember him. Bill Huffman, Wittenberg class of 1966.
