December 1, 1946 - October 4, 2020

Paula Saletia Lee, age 73, passed away Sunday evening, October 4, 2020 in Tallahassee. She was born December 1, 1946, in Sebring, Florida, a daughter of the late Vury and Rhuselle Alderman. Paula was preceded in death by her husband of 29 years, Chester Eugene Lee and brother, Marshall Alderman.

She was a devoted mother to her daughter, Shelly Harrell (Bobby) and a loving Nana to her grandson William "Trace" Harrell as well as her dogs, Grady and Jack.

“ You may have left me a year ago but you will never be forgotten. I still play our song “Forever Love” because it was our song and also our lives. It was all wrong that you became ill and our love was shortened but what we had was fantastic and will never change. I always have and always will love you. For now I will say goodnight until I see you again.

“ I just found out about this yesterday so my condolences to all of her family. Ironically I was going through my photo albums last week and I was trying to make plans to go to see her next weekend when I found this article so that won't happen but she knows what I think of her. I met Paula when I moved to Tampa in 1972 and she was working at the Black Angus and we started dating almost immediately. She was one of the most beautiful amazing woman I ever met and we sparked quickly and we went together for quite a few years. I knew her mother and brothers and her mother was a neat lady and we got along great and Ralph was always a character and Carlton was the strong silent type and I even went to therapy with Max after his accident and I do remember the night we got the phone call about Marshall. After going together for years we were married on October 28, 1977. She was a tremendous help to my mother when my father was killed and she and my mother got along great and I think my mother thought that Paula walked on water the way they got along. Unfortunately we were only married for five years and I knew that she moved to Kentucky and got remarried and they had their daughter Shelly but she always was and she always will be a fantastic lady in my head and my heart. She was friends with Helen in Plant City and so was I so I was aware of a lot of things that went on with her after we were divorced. I have attached a picture of us at the Kapoc Tree Restaurant in Clearwater having dinner with my mother and father for those that didn't know her back then or forgot and it is obvious what a beautiful lady she always was. Again, my condolences to the family but the memories will always be there and I thank you for that.

“ Paula has been my best friend since our girls were 4. Even though I moved away she never left my heart or thoughts. Paula taught me so much. She was my spiritual advisor and always led by example. I love this lady.

Shelly you are one of my “kids” and I love you, Trace and Bobby.  
May the Lord cover all of you with His grace and comfort.

“ We remember Paula as a sweet and caring lady. She had awesome work ethics and went above and beyond her duties. NFC truly was a better place with her “being in the mix”. Her love and care for her family was God’s love demonstrated in everyday life. We were blessed to know her and work along with her. It is a happy time in Heaven for Paula to be with her Lord and her loved ones. She will be missed here on earth and we will be praying for her precious family.
