“*Pearl was a very special mother-in-law. We shared a love of flowers. I enjoyed spending time with her and I especially loved the stories she told of family. I know that God has a special angel joining him in heaven. I loved her very much.*

“*Pearl was a member of my extended family as she was my brother in law's mother. I enjoyed visiting in her home over the years. I am blessed to have some of the tatting she did. What a beautiful gift she shared with me! Our thoughts and prayers are with Ralph and Beverly in this sad time.*
