“ *It's very hard to bear the loss of someone so dear. And although there is little that one can say or do to take away all your pain, please know that you are in the thoughts and prayers of many. May every loving memory be like the warming rays of sun which help to bring some comfort when the pain and sorrow comes. And may you continue to assure your heart that Peggy is safe in God's memory. Malachi 3:16; Micah 4:4. May God grant you comfort and peace. With heartfelt condolences.*

“ *Gail was a wonderful friend for over 50 years, whom I love. She was happy and peaceful in her last days and we had several good visits. Her brother Don & his wife Charlotte took wonderful care of her and she was so grateful and secure in their care. May she rest in peace.*

“ *I met Peggy Gale in the sixties when she became friends with my brother, Ace Collins. They were both attending the local college in Cocoa, Fl. Our paths crossed again when she went to Rollins as we had moved to Orlando. She visited in our home many times and was always in good spirits and good company. She was a loyal and good friend to my brother and when he became ill she made a special trip to S. C. to see him. She was a generous and loving person. Hearing of her death makes me sad and I extend my sincere sympathy to her family.*

“ *I was first acquainted with Peggy-Gail in the 1970's, when she sold a computer to my parent's company. I kept in touch with her perhaps once a decade, and was so sad to hear of her passing. She was a force of nature, and always fought the good fight. She will be missed.*
