Peggy was born on November 3, 1943, to J.C. and Eloise Harvey. She attended Crawfordville School where she was a cheerleader, homecoming queen, honor student and a senior favorite. Peggy graduated in 1961 and began working at Lewis State Bank in Tallahassee. While working at the bank, she met Doug Hammons who was home on leave from the U.S. Marine Corps. They dated for two years, fell in love and married in 1963. Shortly thereafter, they started their family and raised three beautiful daughters. Brenda Mueller (Joe), Susan Barrineau (Stacy), and Cindy Hammons, all who reside in Tallahassee. Peggy has four grandchildren, Lauren Wilson (Dustin), Colin Barrineau (Liliana), Cameron King (Abigail), and Cierra King (Lucky); three great grandchildren, Grayson Wilson, Silas King, and one on the way Clay Barrineau. She is also survived by her brother Paul Harvey (Denise) of Crawfordville.

Peggy was an active member of Crawfordville First Baptist Church for many years until moving to Tallahassee. She loved her family and stayed very involved in their lives. She enjoyed gardening, baking, the beach, volunteer work and listening to Elvis Presley. Later in life, one of her favorite pastimes was sitting on the porch watching her backyard birds and squirrels. She was a

charter member of the Capital City Optimist Club, and member of the Red Hat Society, Tallahassee Junior Women's Club and a recipient of the Tallahassee Sunrise Rotary Club Award.

Peggy's joy came from being surrounded by her family. She adored her girls, grandchildren and great grandchildren. Many wonderful memories were made over the years.

“ To Peggy’s “sweet girls “ and, family members. My heart was saddened when I heard of your Mother’s passing, my friend. I met Peggy when I started the 7th grade at CHS. Although she was a couple grades ahead of me, our friendship began then, and throughout our CHS years and beyond. We shared much fun and laughter, cheering for the panthers and other events. Her warm beautiful smile and hug, always made me feel special wherever I would see her. As times passed, we lost touch, but our friendship memories lived on. May God give all of you His comfort and peace, in the days ahead! Love you all! Carole

“ Oh, Ms. Peg, this makes me so sad. It really is the end of an era. I will always remember your bright smile and your kindness in putting up with all our shenanigans when Cindy and I were knucklehead kids in middle school and high school. You made your home so welcoming to everyone and always made time to be involved in others' lives. You and your family were such a good part of my childhood, and I will always think of you fondly. I am happy that you are reunited with Mr. Doug and basking in the glory of our LORD Jesus Christ, completely healed and set free! What a wonderful new adventure! Godspeed, Ms. Peggy, until we all meet again in the sweet by and by. My love and condolences go out to those in this world whom you hold most dear. May the memories and blessing of having had you in their lives be a real comfort to them in the days ahead.

“ Peggy I love you so much and will miss being able to visit you. Rest in peace. I remember staying with you and Doug and taking care of Brenda, Susan and Cindy. I had some great times with the family and the cookouts with Uncle Rufus and Aunt Louise. I will always remember all our fun activities. I love you, Elizabeth
