“ I knew Bruce and Phyllis while growing up in Erie, Pa., where Bruce worked as an engineer for GE. While Bruce was living in Erie, he was instrumental in getting the Tabernacle Choir Music and the Spoken Word on the radio. I did the typing of the program for him. We were good friends and did things together in our little branch. I'm so pleased to learn all that he and your Mom did during their many years on earth. They were choice people and good examples to all. I send my sympathy to you children and grandchildren and "greats" as well. May you have peace and contentment as you go forward with your lives! Love, Elsie Church Call, Orem, Ut.
