“ I am so sorry to hear this, I had tried to call Phyllis and got no reply. I guess the reason was she was in the hospital. Phyllis was a lovely lady, and the daughter of my half brother, Phillip. If any of her family sees this, I would love for them to call me, I am in Ocala. My number is 352-629-4911 or 352-300-3805. My heart goes out to all of her family. We loved her dearly.

“ Our hearts go out to all of Phyllis's family as she was a beautiful God Fearing Woman who loved her family and friends deeply. My wife Patty and I shared many moments with Phyllis during our service to the blind while serving on the Florida Rehab Council for the Blind. She was a dedicated, organized and humerus lady with a heart to serve the blind. Patty and I will miss her terribly and pray that her family will know she touched the hearts and souls of many and we will see her again some day. Blessings Dwight and Patty Sayer

“ *My heart aches for Phyllis' family. I was shocked when I heard she had gone home to be with the Lord. She was such a beautiful and gracious lady. The void she leaves behind is immense. I pray the Lord will fill each of your hearts with the warmth of her love, the grace of her smile and the hope she possessed in Christ which assures those who believe the joy of seeing her again. Among so many, I was blessed to be graced with her smile, her care for others and her friendship during her days with Vocational Rehabilitation. Our love and prayers are with her dear family.*

“ I am so sorry for your loss. Phyllis was a great friend and co-worker. I had the privilege of working with her in Gainesville as well as Tallahassee. One of the things she loved best was her family and friends. She loved her kids and grand-kids with all of her heart. Just remember the wonderful memories and she will be forever in your hearts.
