“ *Lee and I have only known Polly and Jerry since May 2012, but loved seeing her each day at Centre Point and her smiles always brightened our day and my mother's. She had a very big smile on her recent wedding anniversary. Everyone leaves a legacy and Polly has left hers with everyone who met her. May she rest with her Heavenly Father. Sincere condolences, Pat, Betty and Lee*

“ *Polly was a treasured friend to all who knew her. Gentile, gracious, kind, loving and sweet are just a few of the many descriptive terms I think of when I think of Polly. She touched our lives and left a very positive imprint that will remain with us until we meet again. God bless you, Jerry, Mark, Claramae and family. We share your sorrow and yet are able to rejoice in the knowledge that she is whole and healthy in the presence of her loving Savior.*

“ Polly was a friend that loved at all times. I only remember one time of seeing her speechless, and that was when the "gang" did a surprise birthday dinner for her.

*It was so good to see her eyes light up when you asked about the grand children.*

*She will be missed by many.*

*Love to the family,*
