“ Dear Wilma and Family,

My fond memories of the good pastor and you go back to Lakeland and the students of 1956. How good it was then to have you come to Tallahassee and be my pastors! From my mother, I know that pastor's love for his flock went far beyond pulpit ministry. He'll surely be rewarded for many acts of love and caring that beyond a pastoral calling.

My continued appreciation and love to you. Laverne Clark Callaway

“ *My heart is broken. Pastor was the greatest example of what a husband a father and a friend should be. He had such wit and humor. He was such a blessing to me and my family over the years. I know that when he entered that city he heard the words that we all want to hear and that was well done my good and faithful servant. Love and hugs to Wilma and children. Veronica Marsh Haire*
