

Preston "Gage" Pitman

June 24, 1995 - May 19, 2018

Preston "Gage" Pitman, 22 of Panacea, Florida passed away Saturday, May 19, 2018. He was born in Tallahassee, Florida on June 24, 1995. He was the son of Jasmine Hutcheson of Panacea, Florida and Page and Dana Pitman of Crawfordville, Florida. Gage attended Wakulla High School and he was employed by Pitman's Custom Construction where he worked with and learned the construction trade from his dad. He is survived by his parents, his grandparents, Barbara and Tim Harrell of Medart, Florida and Susan and Allen Dees of Crawfordville, Florida, brothers Payton and Juel, and sisters Kylee and Kinley. Gage joins his Grandfather and Mema (Eugene and Bettye Pitman) and his grandfather (Pops), Tony Hutcheson.

Gage enjoyed spending time with family and friends. He was compassionate, courageous, adventurous and free-spirited. He loved the outdoors, especially hunting and fishing. He was a self-taught musician who loved to entertain his family and friends. He thrived to put a smile on the face of everyone he met. He never ceased to put other's needs before his own. He never met a stranger and leaves an abundance of wonderful memories. His contagious smile will never be forgotten. As the oldest, Gage always took time to love and nurture his brothers and sisters.

In lieu of flowers, the family requests contributions may be made to the Preston Gage Pitman Scholarship Foundation. Contributions can be mailed or brought to the Tallahassee Builders Association, 3231 Capital Medical Boulevard, Tallahassee, FL 32308.

Visitation will be Thursday, May 24 from 6:00-8:00. Services will be held Friday, May 25 at 11:00. Both will be held at Lake Ellen Baptist Church in Medart, Florida. David Conn of Bevis Funeral Home, Harvey Young Chapel in Crawfordville, Florida is assisting the family with arrangements. (850-926-3333 or www.bevisfh.com)

“ *The sky is hope, the sun is his smile, the rain is comforting, the thunder & lightning is his voice, the wind is his hug, the pond & the bay are his sanctuary. The birds are his song and the sounds of frogs and crickets in the evening are his adventure. I see him everywhere, his beautiful face never leaves my mind. I beg God to please keep me close to him, I have faith. We miss him, everything about him. I'm no longer afraid of the dark for he is with me...*

“ I'll never forget those early Saturday mornings when Gage and Peyton would knock on my back door to see if they could go swimming. I would tell him, let me get the girls up and fed and I would send one of them over to get you two. He was such a sweet person, just a couple of months ago, we ran into each other and he thanked me for letting them swim in our pool. Anytime Gage and Peyton were next door, you would find my Brittany and Brooke, Brittany and Colby from across the street, all together doing something. I know the six of them shared a special bond and we all will surely miss you Gage!

“ I remember Gage as a young fifth grader full of dreams. His smile was contagious. He was such a happy person to work with. He made my job so enjoyable. I'll never forget when he started learning to play the guitar. He was so excited. He brought his guitar to class and played "Twinkle Twinkle Little Star". The class cheered and clapped for him. He was so proud. He would spend time with our school counselor, Jeff Van Syckle playing guitar together. He will be missed. God needed an angel and he chose Gage. Love to Gage and his family.
