“ Molly and Mike, It sounds like you raised a super young man. We were so sad to learn of his passing and hope that recognition of what he did in the time he had, memories of good times, and your faith will give you strength the days to come.

“ Mike, Molly, and family, we are so terribly sad to hear of your loss. You are in our thoughts and prayers. I remember meeting Price when he was about 5, what a great kid and gentleman he was even way back then. He has made the world a better place by all those he has touched over his 19 years. Our prayers are with you.

“Thorny, I am so sorry to hear about your loss. My prayers are with you and your family. Here is a relevant quote from a Jimmy Buffett book I recently finished: “Grief is like the wake behind a boat. It starts out as a huge wave that follows close behind you and is big enough to swamp and drown you if you suddenly stop moving forward. But if you do keep moving, the big wake will eventually dissipate. And after a long enough time, the waters of your life get calm again, and that is when the memories of those who have left begin to shine as bright and as enduring as the stars above.” Joe Fournier, Pensacola

“When your heart has beaten for the last time, there's only one thing that God will be looking for at the gates of eternity: Jesus, His Son, with His arm around you saying, "This one's with Me.”

Mike and Family - Praying that your family will find peace and comfort knowing that today Jesus has his arm around Price.
