“ *My grandfather was not just that... He was the light of my life the man who raised me.... He taught me to love and to be strong he used to let me drive his yellow cadallic down the old dirt road and bring hot wheels monter trucks home instead of barbies.., because i knew the true meaning of family and love.... And even when my grandmother would get on to me he would tell her.... Now genever you leave my babies alone before i whoop you....god knows i miss him so much my tears will never stop*

“ *I have many wonderful memories of my Uncle Randell. The most recent was when he arranged his pastor to officiate at my husband Tom's funeral and how he arranged to provide the music. I really appreciated it so much in my time of sorrow. I will miss seeing him at the family reunions. I pray God wraps His loving arms around Geneva, Aaron, and Allie and comforts them. Will be thinking of you and will keep you all in my prayers. Love, Berniece*
