“ *I first met Randine when Nathan and my son, Mike, were in the third grade at Trinity Catholic School. She has always been a special friend to me. Randine treated everyone special.*

Every Christmas, she would make the most delicious fudge for gifts. My son, Steve, loved her peanut butter fudge, and Randine would make him his own special plate with his name on it. That's the kind of person she was. Everyone had a special place in her heart, as she will always have in mine.

I will miss my friend dearly, but it helps to know she is with the Lord now.

“ I only knew Randine for a short time but she made an impression from the very first time we met. Her strength, sense of humor and love for her family were an inspiration to me and I know I will not forget her. Big hugs to Herb (and some banana puddin), Nathan, Richard, Kelly, Katie and Sean. Take care of each other and God bless you. Jenny Mock

I met Randine when she & Herb first started dating. Herb & I would drive to Stark & visit Randine & her family for an occasional meal. Boy could that family cook! I found Randine to be a soft loving person even though she tried to put a stern face on. I kept in contact with both Herb & Randine when I moved from Brevard County, FL and could myself blessed to know them. Turely Randine is now in our Lord's arms.

“*Randine, May the angels take you to paradise. Randine was a true suffering and faithful servant; through her suffering she was able to give others with cancer hope and comfort. She also did it with humor and grace. It meant so much when I would receive an email from her, they brightened my day; gave me hope and a smile. May the souls of the faithful departed through the mercy of God, rest in peace. Amen.*

“*I will miss Randine so much. My fondest memories were times when we visited each other overnight we would always get up the next morning, go get a soda and go garage salein'. On one such trip very early one morning we ran across a herd of ostridges. It was right around the corner from her house and nobody believed we saw them. We went bac,k to see them again but they were gone. What a hoot!
Randine was outgoing and spoke her mind, which I appreciated. She was also fun and up for mostly anything.
I will miss our talks and her words of wisdom. She taught me how to be a better step mother to my grandchildren and helped me open my heart where I did not think I could.
Much love and remembrance,
Karen Johnson (step-daughter in-law).*

I meant step mother to my step children...not grandchildren. Fingers got away from me.

“ *I will always have fond memories of Randine. I moved to Starke my junior year of high school. We became good friends. I have not seen Randine since our 10 year class reunion. We started back e-mailing each other about 5 years ago. Her faith was so strong. She thought a tough battle with this faith. I know that she is in God's hands now.*

“ I've known Randine for 37 years. She taught me alot in the early years she taught me how to be a good wife to her stepson Chris. I have loved her from that first night I met her and Herb. I will miss her being in control (hee,hee) and will always hold her in my heart. She was loved by many and she actually remembered the names of her step grandchildren and sent them birthday cards every year which made her special to my family! That was a massive effort as Chris and I have 4 kids and 10 Grandchildren! She just would set her mind to do something and she would do it!!!! I know she is at peace now and can allow God to let her rest. We love you Randine and will miss you always!

When St. Theresa's Circle was very young, I shared those beginning years with Randine. She always spoke her mind and was a model to all. She will be missed and is in our prayers. Marti Saconchik-Pytel and Larry Pytel
