“ My deepest sympathies and prayers for Randy's family. I've worked with him for several years and he was a wonderful co-worker. I'll miss his sense of humor and the times we spent discussing good Ol' Detroit. He always could crack a joke or find some other way to make me smile. He was a good man.

“ My deepest sympathies to Randy's family. I worked with Randy for many years in Human Resources, and the last place we worked together was DCF. I retired several years ago, but Randy was always a pleasure to work with and to talk about current events. Randy and I also were members of TRPC, and enjoyed talking about our regular visits to TRPC. God Bless.

“ Please accept my condolences during this time of loss. I worked with Randy at DCF and found him to be a knowledgeable HR professional who was always willing to lend assistance. He kept his sense of humor even through the most tedious projects. He was a pleasure to work with and to know. Randy will be missed!
