

Randy "Mark" Owen

November 11, 1960 - August 11, 2025

Randy Mark Owen, 64, made his journey to see the Lord on Monday August 11th.

"Train up a child in the way he should go, and when he is old, he will not depart from it " Proverbs 22:6. The son of a pastor, Mark (as he was known), would leave Bible tracts in bathrooms, shared his devotion to the Lord with his children and walked in the footsteps of Christ. A man with a personality bigger than the trucks he drove for work, a mighty laugh more contagious than a cold, he spoke his mind, but was not cruel, and he listened with intent when his children and family spoke to him. He was a phenomenal example of what a father should be. He loved fishing, hunting with his brother, John and playing golf with his son, Blake. He loved any chance to get together with his family for a holiday, celebration or to shuck a bushel of oysters.

Mark is survived by his wife, Cynthia Owen and their daughter Lucy Owen; son Blake Owen, wife Shelby and their daughters Emmie and Anna Marie; Daughter Ceclia Crawford, husband Blake and their children Everly and Waylon; Daughter Hayley Coward, husband Kade, and sons Ozzy and Jett; Step-children, Katharine Thorpe, Elizabeth Bennett, Henry Evans and Landry Evans and 8 step-grandchildren. A sister, Ricky Libbert and brothers Matt and John Owen as well as a plethora of nieces and nephews that were always excited to see him.

A funeral service will be held at Victory Baptist Church on Monday, August 18, 2025 at 11:30am with interment at Tallahassee Memory Gardens to follow.

Breanna Green of Bevis Funeral Home (850-385-2193 or www.bevisfh.com) is assisting the Owen family with their arrangements.

“ He was a hero to us younger kids at lakewood...me and his 2 brothers, Greg Vowell, he was our door to freedom....he had a driver's license and preacher Owen's 66 plymouth. He took us everywhere in that old car. Rides home from school, playing baseball, basketball, football, tennis..even to go down to Mr Scott 's farm to milk a cow...without Mark we were on bicycle 's.....swimming on Sundays wherever we could find somebody's pool orlake pond or sinkhole.....Then he got the GMC 4x4....man we pile in there ride thru the woods at nite...he took care of us, even tho we would have to cough a little change every now and the for gas.....worth every penny. Played softball with Mark on Billy Hudson's gospel and song softball teams it just seamed like for 25 years I seen Mark everyday whether it was church, school,sports....then all our lives took different courses and we drifted apart and only seen each other once in a while.. the years went by quickly, but we would talk on Facebook about Tennessee or Florida State sports, just something...it was like we never missed a day, even tho years would pass without a word....that is a definition of a true friendship....gonna miss Mark he took time to take care of his younger friends and family...Good by my Brother till we meet again
