“ *Best friend, Godmother to my daughter, VBS partner, member of our family...Becky was everything. She meant a lot to me and my family. She was a friend, second mom, mentor to my son and my daughters Godmother. She was always there to help or to just listen. She was there for my husband when he was battling cancer and was still there for us after he passed. We love you Becky and can't wait to see you in Heaven. Give James a hug from me and I hope you both are having a blast.*

“ *Becky and I had many early morning discussions on a range of topics, from her beloved family to God to her diabetes. She was an inspiration to me with her positive outlook on life and was always willing to go the extra mile. She was a dedicated employee, co-worker, and most of all, friend. I will miss her smile and her "high five's".*
