“ *I want to express my deepest sympathy to your family for your loss. My heart goes out to you. I found much needed comfort from a promise in the bible I hope it offers comfort to you. It is found in the book of Revelation 21:3-5. Soon our Creator will eliminate the enemy death (Isaiah 25:8) and will bring our loved ones back to us. (John 5:28-29).*

“ Your family has my deepest sympathy. I am so very sorry for your loss. The pain must seem unbearable. Renee was loved and she will be dearly missed. Try to remember that you are not alone in this difficult time. Psalm 46:1 says, "God is our refuge and strength, a help that is readily found in times of distress." Pray to Him for strength. Weep to Him when there are no words. He will really help you (Isaiah 41:10) because He cares for you (1 Peter 5:7).

“ Todd and I never saw Renee without seeing her beautiful smile. She was full of life and love. The bond with both of you Scott and Brittany, cannot be broken. Our hearts truly break for you, tears pouring as I write. I remember when Renee gave me a total makeover and she worked with me for three hours, just me! She made me feel special and beautiful, as she did for so many others. We southern gals had so much in common, we talked like we had known each other all of our lives. Her kind and energetic spirit left her mark on this world. Forever in our hearts. We are always here for you both, Always! Love, Hugs, and Prayers - Jessica and Todd Kranert

“ We will always remember Renee as that sweet girl, with the beautiful smile. Memories flood back to when you were in High School, it seems like yesterday, the sleep overs and the double dates, times Renee spent at our home, will never be forgotten. For the Stayton and Chaires families, we send you our deepest of sympathy. She was such a bright light in this world. We send our love to all of you at this very difficult time.

“ I met you once, to help you get your books ready for taxes when I worked at James Moore. You were one of those people that you met and immediately liked and it was like I'd known you forever. We have some mutual friends and I've never heard anything but good kind words about you. Thank you for serving your time on earth! And thank you for leaving behind kindness! My heartfelt prayers are with your family. Happy Trails Renee!

“ My condolences goes out to the family and friends of Renee Chaires. Losing a loved one is never easy. We all want to spend our lives with the ones we love and death gets in the way of that. But what brings me comfort is Acts 24:15 where it says there is going to be a resurrection. So it's reassuring to know that I will see my loved one again and so can you. I hope this has comforted you and may your loved one rest in peace.

“ Oh, Renee, I cannot tell you what an empty space there is in my heart. I am so glad that the last time I saw you last week, I had the chance to tell you how beautiful you were as I had many times before. You took such pride and joy in making me look good and for that I am known as the woman with "diva" hair! I love you my sweet girl. You and your family have been a part of my life for so many years! May it comfort Scott and Brittany to know how much she loved you and how her role as a wife and mother was primary in her life. I will miss those eyes, that smile, and that sassy southern way. We would look at fashion magazines and she could always pick out what I would wear. She knew me that well. Till we meet again, sweet Renee. You will never be far from my heart.

“ So beautiful and so loved....she will be missed by many, many people who loved her. Rest in peace sweet angel. A quote that has helped me through recent deaths of my siblings is "To live in the hearts we leave behind is not to die" . Renee will be in all of our hearts. Much love to Brittney and Scott.
