“ Rhett was a gentle giant. He always had a kind word for everyone and he was my champion the year I decided I wanted to try out for the boys football team. Needless to say that caused an uproar among the teachers and players, but Rhett looked at me and asked if I was sure I wanted to go through with it. I told him that I was positive and, even though he thought I had lost my mind, he tried to get the staff to let me try out. He was a very special person who touched the lives of everyone he came into contact with. I will miss you my friend and you, along with your love, will live in my heart forever.

Sincerely,  
Mary Ann
