

Rhoda Lee Uptain Boggs

February 3, 1932 - September 14, 2011

Rhoda Lee Uptain Boggs, 79, passed away September 14, 2011 in Gulf Breeze, Fl. with her husband and daughter by her side.

Born Feb. 3, 1932 at the Naval Air Station in Colon, Panama, she grew up living in many places as her father; CDR Edgar T. Uptain, Sr. was a pilot in the Navy. She continued her life in the Navy when she met and married the man of her dreams, Gil Boggs, in 1954 at NAS Norfolk, Va. He too was an officer and a pilot.

Lee continued to move everywhere with her husband and three children before eventually retiring in Tallahassee in 1973. She gave her heart to the Lord in Washington, DC in 1970 and has served Him ever since. She was active in the Jesus Movement on Guam in the early 70's as she opened her home to many young people for weekly Bible studies. She served in many capacities in the churches she attended and was President of the Women's Aglow Fellowship in Tallahassee. Lee worked with her husband at the polls and the TCC bookstore. She loved to travel and shop. She dressed meticulously and was an organized lady. She was passionate in her love for the Lord, and her heart was always open to friends and strangers alike.

She is survived by her husband, CDR Gilbert A. Boggs(USN Retired); three children, Becky Stark(Fred) of Louisiana; Bonny Boggs of Pensacola; and

Andy Boggs of Tallahassee; her brother, Edgar T. Uptain, Jr.(Paulette) of Chicago; four grandchildren, Tim Stark(Nancy) of Lafayette, LA; Alison Potter(Mark) of Houston, TX; Joel Stark of Sulphur, LA; and Sarah Boggs of Tallahassee; one great-granddaughter on the way; and her husband's family in Maine and New Hampshire.

Rhoda Lee's smile will be missed forever.
