“ I came to know Rich as my Dad's broker for many years. I particularly appreciated the patience and kindness he showed my Dad as his memory and health began to fail him in recent years. He thought the world of Rich and I was enjoying getting to know and work with Rich as I took over for my Dad. Many condolences on behalf of my Mom and the rest of the Torrence family.

With my greatest sympathy,

Kent Torrence

“ *Rich Brown was our son's great, longtime friend. Words can't describe how deeply saddened we are to hear of his passing. We also loved his wife, Karin, and his three children.*

One of our memories was the time we went to a Valdosta Theme park for our granddaughter Haley Knox's birthday party. We remember all the fun we were having, and there was this one moment when his youngest daughter couldn't be found. He was so mobilized and when he found her he embraced her so fiercely, showing such devotion that clearly demonstrated his love for his family.

Rich stood out as an exceptional friend and family man who was a person that could always be trusted. We will miss him as fiercely as he loved his friends and family.

*In His love,
Karen and Jay Matteson*

“ Keith and I are so sorry to hear of Rich's passing. Rich taught Amy Harrison and I how to shrimp at Alligator Point. What a patient man to teach 2 women how cast that shrimping net! Good times! We will remember that and him always.....
