“ Rick swept me off my feet in 1989 and we dated and were engaged for 9 years. My world is emptier because you are gone. I love you and always will!

“ Dear Family:
Please accept our heartfelt condolences to your family. Death of a loved one is a painful emotion as well as a situation we all face. Fortunately, our Heavenly Father has a solution. The Bible assures us that “Your dead one will live....they will rise up.” (Isaiah 26:19) May this promise, the promise that our Heavenly Father is near to those broken at heart, and the precious memories of your loved one be a comfort to you during this time of sorrow. (Psalm 34:18)
Our Deepest Sympathies,
The Webb Family

Rick made a big impact on my life when I was young, though I have not seen him in years, he was still a part of who I am today. My heart and prayers are with his family & friends. I pray he knew Jesus in his heart and that we will see him again. Love, Beth

I knew rick more as a teenager . the best memory I have is when I graduated . he brought down his drums and set them up in moms garage for my graduation party . He my uncle . Tim had guitars . then my sweet cousin got a wig and a guitar and faked playing lol. Rick just played on. lol. we had a good time for sure. . With that thought we know that heaven has lots of music up there with yet another drummer to help out. hugs to all the family
