“ I have known Richard since we were 6 years old and went thought school all through high school as well. As well as high school sweethearts and were married a year after graduation. We were married for seven years. We both realized that they were some of the best years of lives, we were just to young to make it work. He remarried another woman and had two wonderful kids. We talked after his wife passed away, he was so hurt. I never thought he was pass before me but that's up to God. I've never known a better man than Richard and one with such beautiful smile. My love and prayers go to his family now as I know they are so heartbroken. I loved him deeply for a very long time. Rest in Peace Rich.

“ So sorry to hear about Richard's passing. We just had the opportunity to see him at our class of 1971 reunion in November. His old classmates are praying for his family. He made the comment that we needed to get together every year, because we were all getting older and so many were passing away. He was such a good person and we will miss him.
