“ *I was shocked and saddened to hear of Robert's passing. He was always willing to help as much as he could with technical support and questions - which I always had plenty of! He will truly be missed as part of the GSG family.*

“ I was so sorry to hear about the passing of Robert. He was such a big help to me when I joined GSG and always had great stories about how he hoped to retire and enjoy the simple things of life, like mowing the grass. My sincere sympathies to his family.
