“ *A friend since high school, Bobby was a unique individual. I was attracted to his happy spirit. We had many fun times. Always a joker and could make all people around him laugh. We had lunch together a little while back at Johnson & Wales University in North Miami. We had a time eating lunch and observing all the people. he was naturally witty and had me cracking up as usual. This photo was the same day after lunch. We visited our old hangout, The Frog Pond by our old high school. I will miss him. Godspeed Bobby.*

“ Bobby's father & I attended Miami Edison High School back in the 40's. I saw him on Facebook 2 years ago & was able to Meet Robert, Sr. & his lovely wife at their home & went out to lunch with them. Altho' I never met Bobby, seeing him on Facebook almost every day, I felt like I had known him for a long time. So sad that a fine young man would pass away at such a young age. My Mother always said, "The best die young" & she did also at the age of 65, which I think was too young. May he rest in peace.

I will never forget you Bobby you had a heart of gold you taught me to be brave to do things I never would have and the trouble you and my brother would get in that's a whole other story. Thanks for all the chats on fb cheering me up. You will be missed. R.I.P. my old friend.*
